

Respondus Assignment

Check the following statements to show that you have completed the Respondus setup on your personal computer or device.

1. I have a Wifi device, a camera, and an audio device available to take quizzes and exams.
2. I have read the instructions for lockdown browser and monitor.
3. I have installed the correct product on my computer or device.
4. I will use the Respondus Student Quick Start Guide for help with taking the exams.

If you have performed and agree to the above statements, type your name below, save the file with your name, and submit/upload the assignment.
